Dear friends,

I had the privilege of conducting 2 Cross Culture Ministry events last month. The ONE LOVE (Christ centered marriage) conference at Northeast Baptist, McLeansville, NC was incredible as we witnessed marriages strengthened. We also saw several who have been through divorce healed emotionally and spiritually. I also delivered our ABBA FATHER series to youth groups in Danbury, NC. Many responded to each invitation.

This past Thursday-Sunday (May 20-23) I preached 5 services during a revival meeting at Living Water Baptist Church, Connelly Spring, NC. The pastor is senior board member and Jamaica Mission leader, Rev. Jim Rice. Living Water is a young church that pastor Rice and wife, Anita planted just a few years ago. There were adults and many teenagers present. Approximately 7 teenagers surrendered to the Lordship of Christ on Thursday night. I was amazed that the teenagers attended faithfully all week long. Please pray for pastor Rice and Anita as they follow up on these teens and others whose relationship with God was refreshed last week! I also ask that you continue to pray unceasingly for God's glory to be witnessed through CCM in the days ahead!

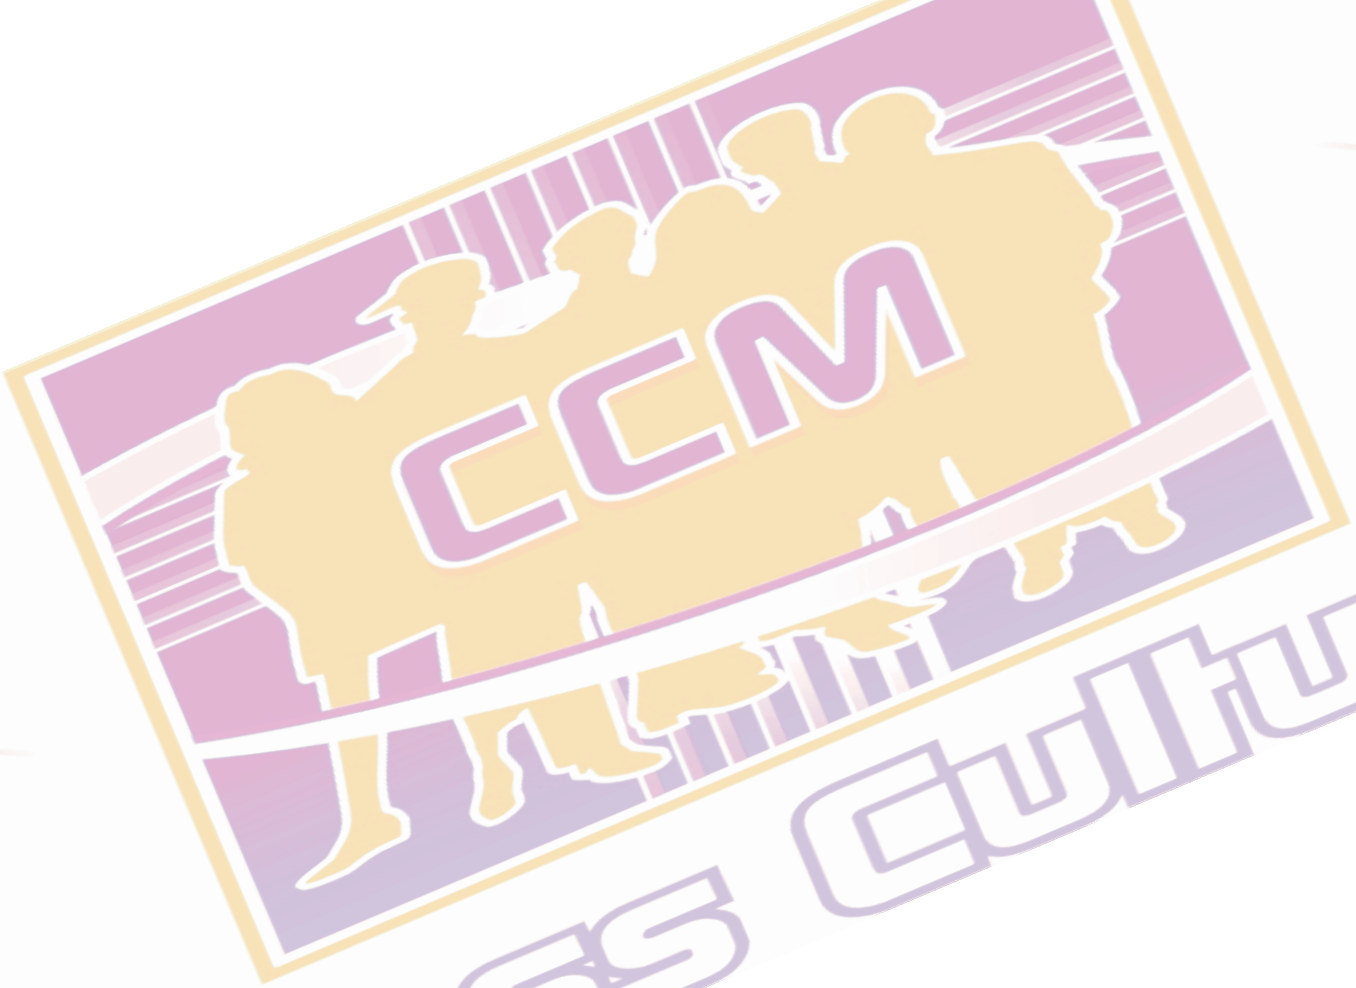

A servant of Christ,

Dale Elwell
